THE EYES CHICO

A FIELD OF FIFTY QUESTIONS

THE PIECE

Alisa Feer painted a lit figure standing in a field of eyes, all the judging gazes that can throw a person off her own path. Sinaida translated the painting into a field you can walk. A soul-shaped figure moves through poppies and meets fifty questions about the feeling of selfhood. The web experience is live; the installation puts the same field on a wall in a room lit red.

PROJECT FEATURES

FORMATS	online, or a room lit red
CONTROL	mouse, touch or bare hands
GESTURES	palm to steer, fist to dive, pinch to pick
PRIVACY	the camera image stays on the device

THE VENUE PROVIDES

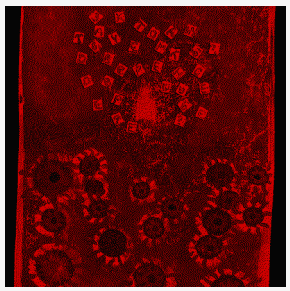

Projector and computer
Camera for hand tracking
A darkened room, red light
From the artist: the software, as a link or an offline build
